

Netters Anatomy Flash Cards: with Online Student Consult Access, 3e (Netter Basic Science)

Netters Anatomy Flash Cards are the most convenient and portable way to review anatomy on the fly. This 3rd Edition contains full-color illustrations from Netters Atlas of Human Anatomy, 5th Edition paired with concise text identifying those structures and reviewing relevant anatomical information and clinical correlations. Online access at studentconsult.com lets you review anatomy from any computer, plus additional bonus cards and over 300 multiple-choice questions. Netter. Its how you know. The front of each flashcard features a full-color illustration from Netters Atlas of Human Anatomy, 5th Edition, with numbered lines pointing to key structures. On the back, concise text identifies those structures and reviews relevant anatomical information and clinical correlations. Pre-punched holes and a convenient binding ring make it easy to carry selected groups of flashcards with you. Online access at studentconsult.com lets you review the flashcards from any computer, and further test your knowledge with additional bonus cards and over 300 multiple-choice questions. New Clinical Notes help you focus on the most relevant clinical implications of anatomical concepts, helpful in preparing for the USMLE Step 1 exam.
