

## Never Kissed Goodnight: Volume 4 (Leigh Koslow Mystery Series)

Fourth in the USA-Today and Kindle Top Ten bestselling Leigh Koslow Mystery Series! A well-paced, solidly plotted mystery... All the answers are not immediately apparent, keeping the tension high throughout... Leigh is a very likable character... Charming. The Mystery Reader No one told Cara why her father abandoned her when she was a baby. They had their reasons. Gil March is lying, hes sneaking around, and hes certainly not acting like his usual too-perfect self. But could he really be cheating on Leighs cousin Cara? Leigh doesnt think so, but when Cara shows up in the middle of the night with tears in her eyes, Leigh is determined to find out. Little does she know that what Gil is hiding is only the tip of an iceberg. There are more than a few things her family hasnt told her about the circumstances of her cousins birth and the reality is chilling. A nicely twisted tale... light reading for a quiet evening. I Love a Mystery Originally published in mass market paperback by NAL/Penguin, Putnam, Inc. in 2001. Large-Print Edition published by Wheeler Publishing Inc., 2001.
