

## El Club Dumas (Spanish Edition)

La gran novela de Arturo Perez-Reverte que abrio el camino del exito internacional a los thrillers inspirados en el mundo de los libros?Puede un libro ser investigado policialmente como si de un crimen se tratara, utilizando como pistas sus paginas, papel, grabados y marcas de impresion, en un apasionante recorrido de tres siglos?Lucas Corso, mercenario de la bibliofilia, cazador de libros por cuenta ajena, debe encontrar respuesta a esa pregunta cuando recibe un doble encargo de sus clientes: autentificar un manuscrito de Los tres mosqueteros y descifrar el enigma de un extraño libro, quemado en 1667 con el hombre que lo imprimio.La indagacion arrastra a Corso -y con el, irremediabilmente, al lector- a una peligrosa busqueda que lo llevara de los archivos del Santo Oficio a los libros condenados, de las polvorientas librerias de viejo a las mas selectas bibliotecas de los coleccionistas internacionales.Construida con excepcional talento narrativo, El club Dumas situa pieza a pieza una trama excitante, minuciosa y compleja, donde se dan cita los ingredientes de la novela clasica por entregas, los relatos policiacos y de misterio, los juegos de adivinacion y las tecnicas del folletin de aventuras.English DescriptionLucas Corso is a book detective, a middle-aged mercenary hired to hunt down rare editions for wealthy and unscrupulous clients. When a well-known bibliophile is found dead, leaving behind part of the original manuscript of Alexandre Dumass The Three Musketeers, Corso is brought in to authenticate the fragment. Aided by a mysterious beauty named for a Conan Doyle heroine, Corso travels from Madrid to Toledo to Paris on

the killers trail in this twisty intellectual romp through the book world.
