

Flute Tudor and the Secret Order

Flute Tudor is a child of prophecy. The predictions were written in the White Wizard scriptures of prophecy by the English astronomer Royal Wizards during the sixteenth century. It is now the twenty-first century, and an evil secret society of wizards and witches know that the prophecies speak of a boy wizard who will defeat and destroy them. The passage of evil where black magic comes from has warned the Dark Wizard Order that the child of prophecy has been born, and this sinister order of wizards and witches will stop at nothing to kill Flute Tudor.
