

Frame It!

The Ultimate Guide to No-Fear Framing! The ideas and techniques in Frame It! make do-it-yourself framing more accessible than ever before. The mysteries of matting, molding and assembly are clearly revealed for anyone wanting to take a big or little part in their own creative framing projects. In addition to mastering basic framing techniques, you'll also learn how to: select mats and frames to complement your artwork; frame a wide variety of items including three-dimensional collectibles, fiber art, photography and more; create framing solutions without using a frame; preserve your artwork for years to come. Start filling your walls today. The creative ideas and straightforward techniques in Frame It! will have you dreaming of what you're going to frame next!
