

## Night at the Wax Museum (a LGBT erotic short story)

A museum security guard falls for a vampire trapped in wax museum exhibit. This 5000-word erotic LGBT short story first appeared in Girls Who Bite. It may be short in length, but its not short in passion! \*~\*~\*~\* Excerpt: I've been watching you, came a feminine, singsong voice. Krista jerked, and then cursed herself for giving away her fear. Come out of the shadows. Ill walk you to the door and let you leave. I wont call it in. How sweet. The voice was girlish, almost childlike, but with an undertone of menace that chilled Krista to the bone. Why do you limp? Krista breathed deeply, calming her heart. The voice had come from near the door leading to the Marilyn exhibit. Krista didnt know if the woman had a weapon or was just a thrill seeker. There wasnt anything of value inside the museum other than big wax dolls. Nothing irreplaceable. The cash box was cleaned out every night after closing. Whyd you move the vampire? Another laugh. This one so close the hairs on the back of her neck stirred. Pretty boy, I didnt take it. Im not a boy, Krista said, more to keep the conversation going than because shed been offended. But you act like one. Even walk like one. I was a soldier. And they made you walk that way? I dont have girly hips. A hand cupped one notch of her uninjured hip from behind. A citrusy-floral scent tickled her nose. Something wet slid down the side of her neck. A tongue. Panic shivered down her spine. Not boys hips. A hand trailed down the front of her pants, and fingers traced her split. Not a boys anything at all.
