

## No Child of Mine

The powerful new novel from the Sunday Times bestseller. Alex Lakes day job is all about helping people, especially children. She cares about them passionately and does everything in her power to rescue them from those who mean them harm. Its as frustrating a career as it can be rewarding, though all too often she is left wondering if she has done enough. When the case of three-year-old Otilie Crane comes to her attention everything changes. She finds herself completely unable to detach from the child the way she should, and feels an overpowering need to make a real difference in little Otilies life. To do this she needs the support of her superiors, but no one is prepared to believe that Otilie is in danger. In the end, Alex follows the only course left to her, and takes law into her own hands.
