

## Nobody Survived the Wilderness

A young Christian man, Lee, who knows only city living, must survive in a wilderness area for one year, while the magazine photographer and writer cover his story, not understanding his beliefs. These are a brother and sister team. The sister is raising their teenage brother who is one step from Juvenile Hall. Lee befriends this boy, who in turns helps him in carving out a home in the wilderness. But will he be able to survive for an entire year without the benefits of the city? And will he be able to endure this Tyler family? Only God can help him.
