

Ocean City: Americas Greatest Family Resort (Making of America)

Nestled along the New Jersey coastline and built to be one of the original seaside tourist destinations, Ocean City still sets the standard for resort living along the mid-Atlantic. What was once a whale-processing center in the 1700s emerged as a destination for sun and fun by drawing the biggest names and the classic American families of the early twentieth century. As our country's search for the ideal vacation grew, this 7-mile stretch of beach cultivated a rich history and a reputation as one of the most alluring communities on the East Coast.
