

Queens Of The South

Queens of the South is a heat filled novel that tells the story of how success does not always equal happiness. A top video vixen is raped on the set. A rapper stands falsely accused and suffers by the hands of street justice. Gloria Cabrera has worked hard to build the top modeling agency in hip hop, but with her money maker being attacked, there needs to be a change in direction. Candy Martinez could care less about anyone but herself and she eventually has to pay for her selfish ways. Supermodel Tabitha Monroe and Happy Ramirez are at war. The former best friends become chief rivals in the retail business and one must come to grips that shes in over her head. Eve-Lillian DJ Eve London is loving her move to Miami. The radio DJ finding bigger success outside of the New York market. Her new love is just the icing on the cake. Or is it?
