

## Overtime: Assassins Series #7

Down and out with an injury, Assassins defenseman Jordie Thomas has been forced away from the sport that runs through his veins. With his life crashing down around him, hes given an ultimatum. Ready or not, Jordie is forced to face his past, the fears that consume him, and the one woman he let walk away. Kacey King had her professional dreams come true, yet her heart was battered and broken. With an Olympic gold medal around her neck, shes ready to look forward to the future but without the one man she wanted in it. In the game of life, there are winners and losers, and neither Jordie nor Kacey wants to be on the losing bench. With emotions running high and the game on the line, can two proud people find happiness with each other, or will their hearts and souls be left in the cold?
