

Patchwork Paper Stitched Collage: a creative textile and mixed media project (Creative textile and mixed media projects Book 2)

Discover how to design and make a stunning patchwork paper stitched collage, whilst exploring many textile and mixed media art techniques. This book is the second in the Creative Textile and Mixed Media Projects Series and topics include: creating wax resist decorative papers, free-motion machine embroidery, soldering iron cutwork, painted and stitched floral embellishments, hand embroidery, couching and beading. These innovative techniques are combined and incorporated to make this exciting project and explained using clear, step-by-step instructions, diagrams and photographs. Jill Amanda Kennedy is a textile, embroidery and mixed media artist who has written many creative articles for Quilting Arts and Cloth Paper Scissors in the USA, Sewing World and Stitch for the Embroiderers Guild in the UK.
