

Churches of Moldavia 2017: The Most Beautiful Monasteries in Romania (Calvendo Places)

The Moldavian churches which are part of the Unesco World Heritage are a group of Romanian-Orthodox monasteries in the South of the Bucovina in Romania built in the 15th and 16th century. Most monasteries show detailed icons and frescoes on the outside walls showing the illiterate folks scenes and stories of the bible. The most beautiful examples for the painting are found in Sucevica, Moldovica and Voronet. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
