

Imagine zine

This zine is full of inspiration including 2 tutorials as well as a private video access to learn to paint one of my primitive girls. It also contains many of my mixed media paintings and bits from my journals as well as sections including The Sea, Grace, and Love. From these inspirations comes an outpouring of art and words from Mindy Lacefield. Mindy is also the author of Wild Surrender and you can find out more about her journey at www.timssally.com
