

Pieces of My Heart: A Life

A moving, candid, and deeply personal look at the triumphs and tragedies, loves and heartbreaks of one of Hollywood's most popular and enduring stars. Handsome, suave, and sophisticated, Robert J. Wagner has starred in more than 100 films and television series over the past 50 years. In this deeply personal story, he recalls his rise to stardom. He talks candidly about his relationships with some of the greatest stars of the 20th century, including Clark Gable, Spencer Tracy, Frank Sinatra, Elizabeth Taylor, Barbara Stanwyck, and, for the first time, he shares the details of his two marriages to Natalie Wood. Wagner also offers a fascinating look at Hollywood during the last half of the 20th century.
