

## Polymer Clay for the Fun of It!

Stretch it, roll it, stamp it, cut it, stack it, bake it - whatever you do with it, you'll have fun with polymer clay! In this playful book, you'll find over 20 simple step-by-step projects that combine easy techniques and lively colors in bright and unexpected ways. You'll love Kim Cavender's fantastical creations: Be the toast of the town with fabulous jewelry pieces like the Punchy Mosaic Earrings with matching pendant or the Flexible Olive Bracelet (martinis optional). Spruce up your bag or tote inside and out with stylish accessories like the Goddess Bag Tag and a No Prescription-Necessary Pill Box. Outfit your desk with fabulous office accessories like the Luminous Letter Opener and the Glitzy Tile Clock. Fill your home with whimsical home decor items like the Seussical Flower Vase and the Hello Gorgeous Mirror. Plus you'll get tons of fun extras to make you laugh and to teach you even more about polymer clay. Each project starts off with an inspirational quote that will get your creative juices flowing, and you'll also find helpful just for the fun of it tips to make playing with clay easy. You'll get a final treat when you look through the gallery of art by the author and guest artists showcasing even more fun and fantastic things you can make with polymer clay.
