

The PowerScore LSAT Logic Games Ultimate Setups Guide (Powerscore Test Preparation)

The PowerScore LSAT Logic Games Ultimate Setups Guide is, in combination with the renowned PowerScore LSAT Logic Games Bible, the ultimate guide for attacking the Analytical Reasoning section of the Law School Admission Test (LSAT). The Ultimate Setups Guide provides complete setups for every released LSAT game from February 1995 to December 2002. The Ultimate Setups Guide also allows access to more recent game section setups, obtainable through the official PowerScore website. Each setup includes a diagram of the rules and the variables, as well an identification of key inferences. A number of questions are explained, and additional game notes are included. The Ultimate Setups Guide also features the setup for every single game in the 10 More Actual, Official LSAT PrepTests. (The text of each LSAT logic game is not included and must be purchased separately from Law Services.)
