

At the Bay of Cthulhu

Katherine Mansfield's classic novella *At the Bay* adapted to include horror elements from the mythos of HP Lovecraft. Matt & Debbie Cowens are the authors of *Mansfield with Monsters*, a 2012 collection of horror adaptations of Katherine Mansfield's short stories. In *At the Bay* they have tackled one of Mansfield's longest pieces of writing, twisting the colony at the bay to an Innesmouthian breeding ground for intrigue, murder, supernatural summonings and monstrous transformations. *Mansfield with Monsters* was one of the NZ Listeners Top 100 books of 2012, and was the recipient of a Sir Julius Vogel Award for Best Collected Work at the 2013 ceremony.
