

## Bitter Blood (Morganville Vampires)

Thanks to the eradication of the draug, the vampires of Morganville have been freed of their usual constraints. With the vampires indulging their every whim, the towns human population is determined to hold onto their lives by taking up arms. But college student Claire Danvers isnt taking sides, considering she has ties to both humans and vampires. To make matters worse, a television show comes to Morganville looking for ghosts, just as vampire and human politics collide. Now, Claire and her friends have to figure out how to keep the peace without ending up on the nightly news ... or worse.
