

Slow Ride (Fast Track)

As a tribute to her late journalist father, Tuesday Jones is planning a career benefit, auctioning off racing memorabilia and meet-and-greets with drivers. Ex-racing star Diesel Lange has had his own brush with death, and is determined not to waste another minute of his life-especially when he meets Tuesday. He wants nothing more than to shift their romance into high gear, but he knows she's still grieving. Can Diesel do the one thing he could never do on the track and take it slow?
