

## Robin/Batgirl: Fresh Blood

Cassandra Cain is Batgirl. Tim Drake is Robin. Together, they're dynamite! Now, in the aftermath of war games, Tim - his father and girlfriend dead - relocates to Bludhaven for a fresh start. But no sooner has he met the local underworld than he's in dire danger...until Batgirl, who has also relocated, saves him. Together, they investigate the apparent return of the crime lord Blockbuster, believed murdered by Nightwing, a.k.a. Dick Grayson, the first young man to have been Robin. But is all what it seems in Bludhaven? Could Blockbuster really have returned from the grave? Or is a more familiar, waddling figure from Gotham's underworld making a play for the city? There's only one way for Robin and Batgirl to find out...
