

Second Chance

Having returned home to Wales for her mothers funeral, actress Kate Rivers is overwhelmed by her past and forced to take stock of her life. From nursing her depressed mother as a child, through to her successful career and relationship with handsome photographer, Paul. past and present bombard Kate as she revisits the cottage and village in which she grew up. Her mother recovered her health and enjoyed her daughters stage and TV success. And Kate has a comfortable London life in acting and as a partner and unofficial stepmother to Pauls unlikeable twin daughters. But now, when she needs him most, Paul is not there, tragedy having overtaken his own family. And as she renews old friendships and faces up to the pain of her childhood, Kate finds herself questioning their relationship and drawn to her charismatic - and married - cousin, Rhydian. But is her affair a second chance at happiness or just a dangerous infatuation?
