

Selected Stories of Philip K. Dick

Selected Stories of Philip K. Dick contains twenty-one of Dicks most dazzling and resonant stories, which span his entire career and show a world-class writer working at the peak of his powers. In *The Days of Perky Pat*, people spend their time playing with dolls who manage to live an idyllic life no longer available to the Earths real inhabitants. *Adjustment Team* looks at the fate of a man who by mistake has stepped out of his own time. In *Autofac*, one community must battle benign machines to take back control of their lives. And in *I Hope I Shall Arrive Soon*, we follow the story of one man whose very reality may be nothing more than a nightmare. The collection also includes such classic stories as *The Minority Report*, the basis for the Steven Spielberg movie, and *We Can Remember It for You Wholesale*, the basis for the film *Total Recall*. With an introduction by Jonathan Lethem, *Selected Stories of Philip K. Dick* is a magnificent distillation of one of American literatures most searching imaginations.
