

## My Dream Date (Rape) with Kathy Acker

In this new collection of fictions—a handful of small tales and two novellas—Michael Hemmingson retains his notorious status as the subversive prince of the avant-pop; or, as stated in *The American Book Review*, one of the reckless youths of a quick and dirty literature. Sex, drugs, Raymond Carver's ghost, Barbie dolls loving GI Joe dolls, the pure vaginas of French girls, the un-pure vagina of Kathy Acker, crack whores, nutty neighbors, scatological girlfriends, iniquitous fiends, Jesus freaks, pornographers, pushers, movers, shakers and winning lottery tickets are just some of the topics found in this unique book that is certain to titillate and aggravate the finest minds of the 21st Century.
