

## Silver Bay

A newly rejacketed edition of the 2007 novel *Silver Bay* by Jojo Moyes, the bestselling author of *Me Before You* and two-time winner of the RITA Novel of the Year award. Liza McCullen will never escape her past. But the unspoiled beaches and tight-knit community of Silver Bay offer the freedom and safety she craves - if not for herself, then for her young daughter, Hannah. Until Mike Dormer arrives as a guest in her aunt's hotel, and the peace of Silver Bay is shattered. The mild-mannered Englishman with his too-smart clothes and disturbing eyes could destroy everything Liza has worked so hard to protect: not only the family business and the bay that harbours her beloved whales, but also her conviction that she will never love - never deserve to love - again.
