# Smart Networks: IFIP TC6 / WG6.7 Seventh International Conference on Intelligence in Networks (SmartNet 2002) April 8-10, 2002, Saariselka, Lapland, ... in Information and Communication Technology)

Smart Networks comprises the proceedings of Smartnet2002, the seventh conference on Intelligence in Networks, which was sponsored by the International Federation for Information Processing (IFIP) and organized by Working Group 6.7. It was held in Saariselka, Finland, in April 2002. The conference series closely reflects the developments in networking.
