

Low, Vol. 1: The Delirium of Hope

One of the top books of the year... -- KirkusMillennia ago, mankind fled the earths surface into the bottomless depths of the darkest oceans. Shielded from a merciless suns scorching radiation, the human race tried to stave off certain extinction by sending robotic probes far into the galaxy to search for a new home among the stars. Generations later, one family is about to be torn apart in a conflict that will usher in the final race to save humanity from a world beyond hope.Dive into an aquatic fantasy like none youve ever seen before, as writer Rick Remender (Fear Agent, Uncanny Avengers) and artist Greg Tocchini (Last Days of American Crime) bring you a tale mankinds final hour in the cold, deathly dark of the sea.Collects Low #1-6.
