

Sock Puppet Madness

Its a simple equation: old sock + craft foam x glue = a collection of the most amazing incredible, outrageous, awe-inspiring sock puppets youve ever seen. Sock Puppet Madness includes 35 of the most fun, outlandish, off-the-wall and enchanting characters on the planet, and by following the simple step-by-step instructions, youll be able to put together your own puppet in no time. Take Bawston the ornery cat puppet, for example. Hes a baseball fan with a questionable temper, so watch what you say to him. A more friendly guy is Sebastian Metaphor. He may seem aloof with his hipster appearance but behind those sleepy eyes lies a heart of gold. If youre a sophisticated sort why not have a crack at Penelope Durlinger, an heiress to a small fortune with an insatiable thirst for power. All the puppets are so simple to create, using just a few readily available materials that cost next to nothing - plus everyone has an old sock they can use, right? So what are you waiting for? Buy this now and make your own collection of sock puppets and join in the fun. And once youve made all the projects, why not create your own characters based on friends and family, too.
