

Can You Hear the Nightbird Call?

Set against the tumultuous backdrop of a fragmenting Punjab and moving between Canada and India, *Can You Hear the Nightbird Call?* charts the interweaving stories of three Indian women—Bibi-ji, Leela and Nimmoeach in search of a resting place amid rapidly changing personal and political landscapes. *Can You Hear the Nightbird Call?* weaves together the personal and the political and beautifully brings the reader into the reality of terrorism and religious intolerance.
