

## Squeezed

If your wife organized a threesome for you on your honeymoon, what would you do? Scott is shocked by his wife Hannah's suggestion, but hesitantly agrees to go along with it. Back home, both feel a little guilty about their encounter with a Thai prostitute called Marilyn, but soon put it behind them when they discover Hannah is pregnant. They must both fight to keep their family together when Marilyn turns up on their doorstep, six months pregnant, and Scott comes to realize that in life there is often a price to pay for indiscretion. Squeezed is a story about family, and how sometimes we don't appreciate what we've got until it's gone.
