

## roam around Nevis

This second edition of roam around Nevis is a comprehensive Caribbean travel book that is dedicated entirely to the island of Nevis. This edition has been updated to include new attractions and activities, and now has a comprehensive dining guide to the islands restaurants. The authors have visited the island on several occasions and have personally experienced many of the attractions available to tourists. All of the photographs in this Nevis travel guide were taken by the authors. Table of Contents in this Nevis travel guide: Information About Nevis Charlestown Beaches Water Based Activities Land Based Activities Historical Sites Nightlife Eating Out Festivals Getting Around Nevis Travel Tips About Us The Table of Contents is a working ToC, which means that you can click on any item in the contents and go straight to the beginning of that chapter. Naturally, there are lots of photographs and maps included in this Caribbean travel guide. The first chapter in this Nevis book is called Information About Nevis, and includes a map of the island that can be used as a navigational tool when exploring by car, bicycle, or on foot. It contains general information about the island, including banking and shopping hours, currency exchange rates, departure taxes, advice about acceptable attire in public places, entry requirements, wedding requirements, and a whole lot of other useful bits of information that will help to ensure that you have an enjoyable visit to the island and make the most of your time there. The second chapter in this Caribbean travel book, Charlestown, includes a detailed map of the capital of Nevis that can easily be used to find your way around, plus a description of the town and the amenities to be found there. Nevis is a very beautiful island with many fabulous beaches, several of which are shown in the photographs included in this Caribbean travel guide book. The beaches of Nevis are described in the chapter

entitled Beaches, and general descriptions of the amenities at each beach are included. The chapter Water Based Activities describes all of the things available to do in and on the water in Nevis, including scuba diving, kayaking, windsurfing and lots more. Nevis boasts excellent hiking opportunities, particularly on the slopes of Mount Nevis, and all of the land based activities, including hiking, horseback riding, mountain biking and golf, plus a host of other activities are described in the chapter Land Based Activities. Historical sites, of which there are many, are detailed in a separate chapter by the same name. History buffs will love Nevis - Hamilton House, the Cottle Church and the Horatio Nelson Museum are just a few places of historical interest. This Nevis guide ebook includes a comprehensive and detailed guide to the islands restaurants, whether it be formal black tie dining or casual barefoot dining, and everything in between. With this Caribbean guidebook you can get a good idea of whats available before you set foot on the island. This Nevis book includes information about getting around the island. Nevis is 36 square miles/93 square kilometers in area with one main road that circles the entire island. Some subsidiary roads are paved and some are dirt, but you can get just about anywhere on the island either on foot or with a vehicle. Local visitor maps are good and places of interest are generally well signposted. roam around Nevis is part of the roam around series of Caribbean guidebooks for Kindle and Kindle apps. If youd like to get a sneak peak into this Nevis guide ebook, roam around Nevis, scroll up to the top of this page and click on the Look Inside feature at the top left hand side of the page.
