

## St. Kitts and Nevis Visitor Guide

Welcome to our island. I arrived to St. Kitts as an accidental tourist and fell in love with the island and most especially, its people. My experiences on the islands will allow you to make the most of every visit. Perhaps you will eventually decide to pick an island of your own to call your home. Spend time experiencing the real St. Kitts and you will leave a better person. The Islands are truly a great tourist destination with friendly people and lots to entertain. The reader will find a mix of island experiences and advice for spending your time while visiting our little section of paradise. A great synopsis for the cruise ship day or a week at the Marriott with tips for longer stays. Intended as a very affordable set of recommendations that stand the test of time without listing every restaurant or accommodation available. Included is a day trip to the Hot Springs on our Sister Island of Nevis. Set your sails for Seventeen North Latitude and we will be greeting you warmly. Contains numerous photographs and is best displayed in color.
