

The Phantom Affair (Star Wars: X-Wing Rogue Squadron, Volume 2)

The Battle of Endor was never fought -- it was just so much Alliance propaganda. At least, that's the lie being spread by the Ante-Endor Association. But Wedge Antilles and his Rogue Squadron comrades know the truth. They were at Endor when so many gave their lives to destroy the second Death Star. And so, for those lost friends, this is a battle they will not lose.
