

Stargirl

A modern-day classic and New York Times bestseller that celebrates the power of individuality and personal expression from beloved Newbery Medalist Jerry Spinelli. *Stargirl*. From the day she arrives at quiet Mica High in a burst of color and sound, the hallways hum with the murmur of *Stargirl*, *Stargirl*. She captures Leo Borlock's heart with just one smile. She sparks a school-spirit revolution with just one cheer. The students of Mica High are enchanted. At first. Then they turn on her. *Stargirl* is suddenly shunned for everything that makes her different, and Leo, panicked and desperate with love, urges her to become the very thing that can destroy her: normal. In this celebration of nonconformity, Newbery Medalist Jerry Spinelli weaves a tense, emotional tale about the perils of popularity and the thrill and inspiration of first love. Don't miss the sequel, *Love, Stargirl*, and Jerry Spinelli's latest novel, *The Wardens Daughter*, about another girl who can't help but stand out. Spinelli is a poet of the prepubescent... No writer guides his young characters, and his readers, past these pitfalls and challenges and toward their futures with more compassion. The New York Times From the Hardcover edition.
