

Steam in the Willows: Premium Colour Edition

Mole suddenly flung down his brush and said 'Bother!' and 'O blow!' and also 'Hang spring-cleaning!'... So begins one of the greatest children's stories ever written: a rebellion against drudgery that sets in motion a timeless tale of friendship and adventure. Join Mole, Ratty, Mr. Badger and Toad in this classic story, and see them brought to life in a new way. With original full-colour illustrations by Krista Brennan printed in high quality premium colour, Kenneth Grahame's *Wind in the Willows* is woven with elements from the modern-day revival of artisanal craftsmanship, maker culture and the steampunk movement to create this brand new edition.
