

A Stir of Echoes

Tom Wallace lived an ordinary life, until a chance event awakened psychic abilities he never knew he possessed. Now he's hearing the private thoughts of the people around him—and learning shocking secrets he never wanted to know. But as Tom's existence becomes a waking nightmare, even greater jolts are in store as he becomes the unwilling recipient of a compelling message from beyond the grave! This eerie ghost story, by award-winning author of *Hell House* and *I Am Legend*, inspired the acclaimed 1999 film starring Kevin Bacon.
