

## Stories By Famous Authors Illustrated

Stories By Famous Authors illustrated was a 1950s, 13 issues series of adaptations from literature. Stories were usually 32 pages with two or three text stories at the end of the issue. Issues #1 through #5 were reprints of Fast Fiction with different covers, put out a year earlier. Stories By Famous Authors has some great history (and covers) on its front page, This series was first produced by Seaboard Publishing as Fast Fiction and provided competition for the more well known series, Classics Illustrated. The series used some of the same artists as that series, including the well known and very well regarded Henry Carl Keifer. Clearly Albert Kanter, the Father of the Classics Illustrated series wasnt impressed to have another publisher muscling in on his idea and was also angered that Keifer was also churning out some of the Seaboard stories - Hamlet and She refer - and so Kanter bought the upstart in 1951...In fact, if you own The Red Badge of Courage, number 98 in the Classics Illustrated series, then you have what was planned to be number 14 in the series from Stories by Famous Authors and was purchased by Gilberton at the same time as the purchase of the publishing rights for the 13 issued. That is why The Red Badge is only 32 pages long...
