

Light of Day: A Novel

An exhilarating emotional roller-coaster ride. Washington Post, beautifully-written, and heart-wrenching. Harlan Coben. With his shattering, extraordinarily affecting debut novel, *Light of Day*, author Jamie M. Saul made a powerful, incontrovertible statement: a major American writer had arrived on the literary scene. The author of *The First Warm Evening of the Year*, Saul mesmerizes with the unforgettable story of a small-town Midwestern professor struggling to come to terms with a devastating tragedy and the strange and terrible mystery at its core.
