

Sweet Revenge (Goldy Schulz)

Goldy Schulz is thrilled to be catering a holiday breakfast feast for the staff of the Aspen Meadow Library. But little does she know that on the menu is a large helping of murder. While setting up at the library, Goldy spots a woman lurking in the stacks who bears a striking resemblance to Sandee Brisbane the Sandee Brisbane who killed Goldys ex-husband, the Jerk. But Sandee is supposed to be dead ... or so everyone believes. Goldys suspicions mount when the body of Drew Wellington, a former district attorney, is found in a corner of the library, with a map worth thousands of dollars stashed in his clothing. Goldy is convinced that Sandee, a confessed felon, is involved. But the holiday madness is only just beginning for Goldy. Soon shes drawn into the dangerous, double-crossing world of high-end map dealing. And like the ghost of Christmas past, Sandee keeps making an appearance. Could she be out to prove that revenge is oh-so-sweet?
