

Tangled Lives

From the bestselling author of *Thursdays in the Park* comes a tense, emotional drama about what happens to a family when a secret is kept hidden, and a stranger is suddenly introduced into the dynamic. Annie Delancey is happily married, in her early 50s, with three grown children. But Annie guards a secret. At age nineteen she had a baby boy and gave him up for adoption. She still thinks of him every day. One day she receives a letter from Kent Social Services; her son Daniel wants to make contact. A part of her is overjoyed--she longs to meet him. But another part fears what this revelation will do to her family, none of whom know about her past. When Daniel is introduced to Annie's family, a few small tears in the family fabric suddenly gape wide, and the impact of it is greater than she could have ever imagined. From the Trade Paperback edition.
