

2003 Appalachian Trail Thru-hikers Companion (Official Guides to the Appalachian Trail)

The Appalachian Trail Conference and a group of A.T. thru-hikers collaborate on a guide designed for potential thru-hikers who want the basic information for a five-to six-month trek in the woods--but also want the adventure of finding out the extras themselves. With research by more than a dozen thru-hiker volunteers in 14 states, backed by the first-hand information of the Trails maintainers and managers.
