

The Back-Up Mom: A Stepmothers Journey

Many people go into the stepparenting experience thinking that their parenting skills and instincts will suffice. Why then do so many struggle with stepparenting? Why are the unique gifts and challenges of stepparenting rarely discussed? The Back-Up Mom is an invaluable, candid guide to stepparenting from the personal experience of a mom who has been there, learned precious lessons and is ready to share her wisdom with you. A stepparent's journey is never easy. Author Laura K. Wagner reaches out to other stepparents to let them know they are not alone in their journey. Laura intertwines valuable advice with a personal narrative that lets you know you're not alone in your journey to become an effective stepparent. You'll learn, right along with Laura, how to keep an open mind and open heart in the journey to support your stepchildren and yourself. The Back-Up Mom is the story of hope, courage and strength. The book provides stepfamilies with the inspiration, encouragement and information they need to open their hearts and become positive role models to their stepchildren.
