

The Chinese Bandit (The Far East Trilogy Book 1)

New York Times bestselling author Stephen Beckers breathlessly exciting (Cosmopolitan) post-WWII adventure about an ex-marine on the run for his life. That summer they hanged a fat man at the Western gate as a warning and example to all. Kao was a traitor, a thief, a pimp, a black marketeer and Jake Dodd's partner. So what if he traded stolen military supplies with the Japanese, Jake wants to know. He never cheated me. But 1947 Peking is a savage, cutthroat city, and the United States Marine Corps sergeant is too busy saving his own skin to put up a fight over Kao's fate. Jake served his country with honor in World War II, but when he knocks an American brigadier general through a barroom window, no amount of battlefield scars or combat medals will save him from prison. So he sets out across the Gobi Desert with a caravan of Kao's illicit goods and plunges into a world of violence and treachery that will take every ounce of his strength and intelligence to survive. Pursued by Chiang Kai-shek's Nationalist Army and a bandit chieftain named Tigers Assistant Demon, Jake disappears into the mountains but the chaos of postwar China is inescapable, and peace has never been a part of this two-fisted adventurer's vocabulary. Gripping and rich with cinematic detail, *The Chinese Bandit* will please history buffs and thriller fans alike and keep readers turning pages through the night (Los Angeles Times). *The Chinese Bandit* is the 1st book in the Far East Trilogy, but you may enjoy reading the series in any order.
