

## Forbidden Affair: The Bold and the Beautiful

Brand new stories with the characters you love from THE BOLD AND THE BEAUTIFUL. Steffy is back. A year in Paris has cemented her resolve to get over Liam and her miscarriage. Resigning from Forrester Creations is her first step. She is surprised when Bill offers her a job as head of marketing and PR at Eye On Fashion. Is this what she wants? Hoping to convince her it is, Bill joins her volunteering at Daisys. They are alone, late at night, when an earthquake strikes, and the building collapses around them. Frightened and trapped in the rubble, they become closer, and Steffy realizes she's falling in love with the last man she should. But is this an attraction born from fear, or is it something much deeper?
