

The Bookmans Promise: A Cliff Janeway Novel (Cliff Janeway Novels Book 3)

Cliff Janeway is back! The Bookmans Promise marks the eagerly awaited return of Denver bookman-author John Dunning and the award-winning crime novel series that helped to turn the nation on to first-edition book collecting. First, it was Booked to Die, then The Bookmans Wake. Now John Dunning fans, old and new, will rejoice in The Bookmans Promise, a richly nuanced new Janeway novel that juxtaposes past and present as Denver ex-cop and bookman Cliff Janeway searches for a book and a killer. The quest begins when an old woman, Josephine Gallant, learns that Janeway has recently bought at auction a signed first edition by the legendary nineteenth-century explorer Richard Francis Burton. The book is a true classic, telling of Burtons journey (disguised as a Muslim) to the forbidden holy cities of Mecca and Medina. The Boston auction house was a distinguished and trustworthy firm, but provenance is sometimes murky and Josephine says the book is rightfully hers. She believes that her grandfather, who was living in Baltimore more than eighty years ago, had a fabulous collection of Burton material, including a handwritten journal allegedly detailing Burtons undercover trip deep into the troubled American South in 1860. Josephine remembers the books from her childhood, but everything mysteriously disappeared shortly after her grandfathers death. With little time left in her own life, Josephine begs for Janeways promise: he must find her grandfathers collection. Its a virtually impossible task, Janeway suspects, as the books will no doubt have been sold and separated over the years, but how can he say no to a dying woman? It seems that her grandfather, Charlie Warren, traveled south with Burton in the spring of 1860, just before the Civil War began. Was Burton a spy for Britain? What happened during the three months in Burtons travels for which there are no records? How did

Charlie acquire his unique collection of Burton books? What will the journal, if it exists, reveal? When a friend is murdered, possibly because of a Burton book, Janeway knows he must find the answers. Someone today is willing to kill to keep the secrets of the past, and Janeways search will lead him east: To Baltimore, to a Pulitzer Prize-winning author with a very stuffed shirt, and to a pair of unorthodox booksellers. It reaches a fiery conclusion at Fort Sumter off the coast of Charleston, South Carolina. Whats more, a young lawyer, Erin dAngelo, and ex-librarian Koko Bujak, have their own reasons for wanting to find the journal. But can Janeway trust them? Rich with the insiders information on rare and collectible books that has made John Dunning famous, and with meticulously researched detail about a mesmerizing figure who may have played an unrecognized role in our Civil War, The Bookmans Promise is riveting entertainment from an extraordinarily gifted author who is as unique and special as the books he so clearly loves.
