

The Castle of Otranto (Chinese Edition)

The Castle of Otranto is a 1764 novel by Horace Walpole. It is generally regarded as the first gothic novel. First published pseudonymously in 1764, The Castle of Otranto purported to be a translation of an Italian story of the time of the crusades. In it Walpole attempted, as he declared in the Preface to the Second Edition, to blend the two kinds of romance: the ancient and the modern. Crammed with invention, entertainment, terror, and pathos, the novel was an immediate success and Walpoles own favorite among his numerous works.
