

Secretly Chic: The Wedding Planner

Secretly Chic, The Wedding Planner has been designed in a chic, simple, easy to use format. The bride can customize the planner specifically for her needs through easily adding or removing pages. This planner was created to help brides simplify the engagement and wedding process and enjoy it to the fullest. What makes this planner special:

1. It contains a detailed budget and timeline, that easily folds out, making it extremely functional
2. The three-ring binder allows brides the flexibility of adding or detailing pages
3. Its light weight makes it possible for brides to carry it with them at all times
4. Helpful tips and gift ideas
5. Contains oversized folders with the capacity to hold numerous contracts, menus, brochures, magazine clippings, etc
