

## The Chase (Fast Track)

Kendall Holbrook is determined to make it to the top, even with the challenge of being a woman on the male-dominated racing circuit. She doesn't have time for romance—especially not with racing rival Evan Monroe, the man who nearly crushed her dream years ago. Tricked into meeting him, Kendall is experiencing all those old feelings again—and she can't deny that they still have enough chemistry to set fire to the track.
