

## The Color Of Grace

Young Adult Romance. When my mother remarried after thirteen years of being a widow, I had to move to a new town and enroll in a new school. Suddenly thrust into an entirely different kind of life, I just wanted to go home. I didnt want to meet new people, didnt want to leave my old friends, didnt want to become a third wheel to my mom and her husband....and I really didnt want to see Ryder Yates again. Ugh, I still dont know why I turned down that too-good-to-be-true boy who flirted with me when we were attending separate schools. But honestly, it wasnt as bad as I thought it would be. It was worse. Who knew becoming lost in a new life could help a girl find her true colors?
