

Complete Dracula

If you thought you knew the complete story of Dracula, prepare yourself for a never-before-seen tale that is completely faithful to Bram Stokers original vision! Authors Leah Moore and John Reppion, joined by atmospheric painter Colton Worley, present the iconic masterpiece of gothic horror for the first time with its original beginning and ending, restored after 112 years to include the opening chapter, Draculas Guest, and revealing the ultimate fate of Draculas castle. Beautiful yet terrifying, The Complete Dracula is the definitive visual interpretation of the classic work, supported by a bonus section of scholarly essays, annotations, and an original prose tale from Stoker himself!
